VOCATION, CHOICE OF SEARCH UNDER Vocational guidance**VOCATIONAL EDUCATION**

Here are entered works which are limited to instruction within the standard educational system (usually at secondary levels) to equip individuals for industrial or commercial occupations.

Works on the vocationally oriented process of endowing people with a skill after either completion or termination of their formal education are entered under Occupational training.

Works on retraining persons with obsolete vocational skills are entered under Occupational retraining.

Works on on-the-job training of employees are entered under Employees, Training of.

Works on the total efforts of educational institutions and the community to help individuals both to become familiar with the values of a work-oriented society, and to implement those values in their lives in such a way that work becomes possible, meaningful, and satisfying are entered under Career education.
